17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We propose to set a drillable bridge plug at approximately 1850' in 4 1/2" casing and to perforate the following intervals:

2nd Queen -- 1669' to 1682'
3rd Queen -- 1725' to 1733'

This remedial work is proposed in order to control water channeling which has occurred in this project. Both sections will be given a small fracture treatment to insure injection of water.
