Re: Eddy State "DJ" Well # 1-26,
Unit A, Sec. 26-19S-28E,
Eddy County, New Mexico.

Gentlemen:

A recent field inspection of the above-captioned well reveals that the "dead men" wires have not been cut, and that the marker was setting over another piece of pipe which had not been welded.

Also, we must have six (6) copies of Form C-105, Well Log, on this well.

Very truly yours,

OIL CONSERVATION COMMISSION

Enclosure

A recent field inspection of the above-captioned well was made and the "dead well" wires have not been cut, and that the well was sealed. There is no more of pipe which had not been welded.

Also, we have sent (6) copies of Form 1-10, well log, to the well.

Very truly yours,
