Turkey Track Sec. 3  
Unit #16 P, 3-19-29,  
Eddy County

Dear Dick:

The operator has called our attention to the fact that the subject well has been carried in the wrong pool. The well has been shown as a Turkey Track-Queen-Grayburg well rather than a Turkey Track-Seven Rivers well as it should be.

The operator and this office have corrected our well files. Please have Al and the EDP section make any necessary corrections to your files and records.

If any additional information is required, please advise.

Very truly yours,

OIL CONSERVATION COMMISSION
