Santa Fe, New Mexico

NOTICE OF INTENTION TO DRILL

Notice must be given to the Oil Conservation Commission or its proper agent and approval obtained before drilling begins. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to the sender. Submit this notice in triplicate. One copy will be returned following approval. See additional instructions in Rules and Regulations of the Commission.

L CONSERVATION COMMISSION, not Feed to the Second Standard Commence of the drilling of a well to be known as Jones & Watkins Miller Well no. Sec. 9 , T 198 R 29E N. M. F. J. J. J. L.			Arte	esia. New Mex		Apı	il 25, 1950
The Person to Commence the drilling of a well to be known as JONES & WATKINS Company or Operator Sec. 9 , T 198 R 29E N. M. F. P. J. M. R. P.			MMISSION,	Pla	:e		
You are hereby notified that it is our intention to commence the drilling of a well to be known as JONES & WATKINS MILLER Well No. 1 in SE SE Company or Operator N I 19S , R 29E , N L, F. 19	nta Fe, New					30-015-	13567
JONES & WATKINS Company or Operator Loane N The well is 330 feet (R) (E) of the SN line and 330 (EX) (W.) of the line of Seq. 9-19S-29E (Give location from section or other legal subdivision lines. Cross out we directions.) If state land the oil and gas lease is No. B-5096 Assignment No. 3 If patented land the owner is. Address The lessee is. Address We propose to drill well with drilling equipment as follows: Cable tools the status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of ministon is as follows: Cable tools the status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of ministon is as follows: Status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of ministon is as follows: Status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of ministon is as follows: Status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of ministon is as follows: Status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of ministon is as follows: Status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of ministon is as follows: Status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the propose to use the following strings of casing and to land or cement them as indicated: Status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the General Rules a	ntlemen:					4000	
Company or Operator N The well is 329 feet (NR) s) of the the thine and 330 (EX) (W.) of the siline of Seq. 9-19S-29E (Give location from section or other legal subdivision lines.
