17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Western Oil Fields, Inc. would like to request temporary abandoned status on the above well. The well conditions are as follows: 7" casing set at 1605 with 25 sx cement. Open hole 1605-1743. We have not filed for a P & A because the well is in a prospective secondary recovery area and could be used for injection of flood water or disposal.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
