19S-29E, Eddy County, and Stout  
State "A" #1, Unit A, Sec. 21-  
19S-29E, Eddy County, New Mexico.

Dear Sir:

Enclosed please find Form C-103 on Stout State "A" Well # 1, which is being returned for additional information. We need to know how much pipe and cement has been used on the surface casing of this well.

Also, please submit one more set of Forms C-103 on your State Well # 1, showing the surface casing, pipe, and cement used.

Very truly yours,

OIL CONSERVATION COMMISSION
