Re: Mondo State Well 21,
Unit K, Section 27-
1-4-298, Wildcat Pool,
Adair County, T.A.

Gentlemen:

A field inspection on the above captioned well showed
any hole marker to be ok; however, before plugging report
can be approved, the pit must be filled and junk cleaned up.

Please notify this office when location is ready for
inspection.

Very truly yours,

M. L. Anderson /
Supervisor, District 10. 2
