Dear Mr. Porter:

Mr. Red Herrington of the Malco called me regarding some supposed overproduction from our Santo Nino well, which was due to my not having filed an authorization to transport recovered load oil or increase the allowable after having plugged back and sandfrac our No. 1 Keohane in Section 7, Township 19 South, Range 30 East. I was erroneously under the impression that Mr. Frost submitted a copy of his reports. I am enclosing an approved copy of Mr. Frost's report for your file which was submitted to him when the work was done. Mr. Hanson of Artesia suggested that I send these reports direct to you.

Hoping the above and the enclosed application will remedy our situation, and I believe they are self-explanatory.

Sincerely,

B. M. Keohane

Dear Mr. Porter:

Mr. Geo Harrington of the Malco called me regarding some supposed overproduction from our Santo Nino well, which was due to my not having filed an authorization to transport re-covered road oil or increase the allowable after having plugged back and sandrased our No. 1 Keohane in Section 7, Township 19 North, Range 30 East. I was erroneously under the impression that Mr. Frost submitted a copy of his reports. I am enclosing an approved copy of Mr. Frost's report for your file which was submitted to him when the work was done. Mr. Hanson of Artesia suggested that I send these reports direct to you.

Thanking the above and the enclosed application will remedy our situation, and I believe they are self-explanatory.
