Gentlemen:

We are in receipt of three forms C-110 on the above-captioned wells. This office requires ~~four~~ (4) copies of form C-110 on each well.

Also, please check to see that the tank battery location is correct on each lease and if there is a transporter for gas, please fill in the proper section. If there is no gas transporter, please give the reason the gas is not being sold, and its present disposition.

Very truly yours,
