Dear Mr. Armstrong:

In reply to your letter of July 23rd, it is certainly agreeable with us if the Southwest Potash Company desires to reenter and properly plug a plugged and abandoned well in the Southwest Quarter of the Northwest Quarter of Section 16, Township 19 South, Range 30 East.

The acreage is presently under Lease No. K-4191, Allied Chemical Corporation, P. O. Box 2120, Houston 2, Texas.

I agree with you that the potash company should serve notice and obtain permission from the oil and gas lessee to replug this well.

If we can be of any further assistance to you, please let us know.

Very truly yours,

GUYTON B. HAYS  
Commissioner of Public Lands
