Re: Subsurface Test Reports

Dear Sir:

In accordance with New Mexico rules and regulations we have obtained the subsurface pressure test on our Union-Federal Well No. 1 located in Eddy County, New Mexico. However, we note that we have not been furnished the proper State form for filing with your office; therefore, at your earliest convenience please mail a supply of Form C-124 to G. W. Strake, P. O. Box 837, Winters, Texas, and we will promptly file the report with your office.

Yours very truly,

G. W. STRAKE
