Dear Mr. Porter,

In answer to your letter of April 25, 1961, in regard to re-plugging the above-captioned well. A Mr. Bell with the Henry Black Drilling Company came in to see me soon after your letter of March 23, 1961. He didn't say much of anything, only that the son of Mr. Black was at fault as he was the one that I had talked to on the phone, giving him the plugging instructions.

Very truly yours,
