Re: Henry Black State Lowe
1, NE NE of Sec. 32-19S-30E,
Eddy County, New Mexico.

Dear Sir:

This will acknowledge receipt of your letter of July 27, 1961. The Henry Black State Lowe # 1 NE NE of Sec. 32-19S-30E is OK. But # 2 SE NE 32--19S-30E has a pit not filled. The fence around the pit will need to be torn down and the pit filled before we can approve plugging of this well.

Very truly yours,

OIL CONSERVATION COMMISSION
