New Mexico Oil Conservation Commission
Santa Fe, New Mexico

Attention: Mr. W.B. Macey

Gentlemen:

The Cactus Drilling Company No. 1 Stan-State is located on the above lease and is the only producing well on said lease. The primary term of the lease has expired, but the lease is held by production.

We request your permission to re-enter this well and drill it to a depth sufficient to test the Delaware Sand which we expect to encounter around 5000'.

Yours very truly,

William H. Aikman
