Dear Sir:

We are in receipt of form C-104 (Request for Allowable) on the above-captioned wells. Before these forms can be approved, it will be necessary for you to submit five (5) copies of form C-110 (Certificate of Compliance and Authorization to Transport Oil and Natural Gas). Form C-110 should accompany form C-104.

In addition, we are returning forms C-104 so that you may indicate the casing and cementing record in the space provided. Please take care of this as soon as possible so that these wells can be assigned an allowable.

Very truly yours,

OIL CONSERVATION COMMISSION
