Mr. Joseph D. Kennedy  
Agent for Maxwell Oil Company

Fort Worth, Texas

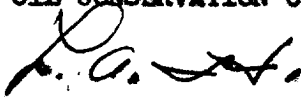

Dear Sir:

We have recently approved Commission Form C-110's showing change of ownership for the J. C. Maxwell wells in North Shugart Pool. However, I note that you omitted the A. C. Taylor "A", Well No. 3 in SE SW Section 12-18S-31E, and I believe this is your input well for the water flood project.

I believe you should file a Form C-103 for this input well showing a change of ownership to Maxwell Oil Company, and also set out that it is being used as an input well and the date that it was converted. Otherwise our file would indicate that this was a producing well and Texas-New Mexico Pipe Line Company is the transporter.

Very truly yours,

OIL CONSERVATION COMMISSION
