Re: Malco Taylor A well No. 4 P,
12-18-31, Shugart Pool

Gentlemen:

Upon receipt of the notice dated August 9, 1965, to "Temporarily shut-in" the subject well, this office cancelled the allowable of the same. It now appears that the well has not been shut-in and is being produced without an allowable. Production without an allowable is prohibited. Please clarify this matter. If the well needs an allowable, please request the same by Commission Form C-127.

Very truly yours,
