Re: L.C. 058709-A

Mr. Glenn Staley,
Lea County Operators Committee,
Hobbs, New Mexico.

Dear Sir:

Herewith please find copy of Notice of Intention to Drill our A. C. Taylor well No. 7-A, which is an unorthodox location and is located 1320' from the West line and 10' from the South line of Sec. 12, Twp. 18-S., Rge. 31-E., Eddy County, New Mexico. This is the North Shugart Field.

We are under the impression that in order to get an allowable established for this well that it is probably necessary to have some kind of a special hearing on it and we have therefore sent copies of the Notice and of the enclosed letters to all of the parties listed below, who we think may be interested in the matter.

We will appreciate it if you will advise us, assuming the permit is granted, what kind of an allowable will be given on the well and how will it be figured.

We are very anxious to get the well started and will appreciate hearing from you on this at your very earliest convenience. If you could send our Mr. Roy Charlesworth a copy of your letter on the matter it would certainly be appreciated.

Thanking you for such help as you can give us in the matter, we are

WDM/p
Encl.

Yours very truly,
