Re: Commission Order
R-2128

Gentlemen:

Commission order R-2128 abolished the Culwin (Q), Culwin Yates and North Shugart Queen Grayburg Pools and extended the Shugart Pool to include all wells formerly producing from the forementioned pools. Therefore, the following described wells will appear in the Shugart Pool Section of the January, 1962 Oil Proration Schedule.

Please file Form C-110 for each well showing the change in pool designation from that shown to the Shugart Pool.

Dear Sirs:

Reference

Enclosed for your information are two copies of a letterhead memorandum (LHM) dated and captioned as above. The LHM was prepared by the New York office of the Environmental Protection Agency (EPA) on December 8, 1961. It contains information regarding the presence of certain organic compounds in the effluent of the Solvay process. The LHM also contains a list of the names of the various organic compounds which were analyzed and the results of the analysis. The LHM is being furnished to you for your information and for your use in connection with your ongoing research and development work.

Very truly yours,
