New Mexico Oil Conservation Commission
205 Carper Building
Artesia, New Mexico

Gentlemen:

Enclosed in quadruplicate is a Notice of Intention to Re-complete the J. C. Maxwell - A. C. Taylor "B" No. 3. in the North Shugart Field of Eddy County, New Mexico. This well was abandoned as a non-commercial producer in 1949; however, it is believed that by attempting a completion by fracturing the formation that it would be a commercial producer, and it is our intention to re-enter the old hole and set casing above the pay zone which will then be fractured.

Yours sincerely,

Joseph D. Kennedy
