Gentlemen:

Attached are forms C-102 as requested by your letter of March 26, 1965.

We are unable to locate the surveyors plat on this well which was purchased from Kenwood Oil Company. As soon as we receive complete files from Kenwood, we hope to be able to forward the information required under the location plat section. If we are unable to find the original surveyor's plat, we may be able to obtain a copy from USGS in Roswell, New Mexico.

Yours truly,
