SUPPLEMENT TO THE OIL PRORATION SCHEDULE

As per the order of the Commission, the following
prorating schedule is hereby established for the oil and gas
produced in the Artesia Pool and vicinity.

1. The total production of the Artesia Pool and vicinity
shall be prorated among the producers thereof in proportion
to their respective shares of the total production of the
pool and vicinity for the year 1930, based on the
production of each producer for the year 1930.
