Re: Kenwood Federal Well No. 2,  
Unit D, Sec. 21-185-31E,  
Eddy County, New Mexico

Dear Sir:

We are in receipt of Form C-104 on the above-captioned well. Before Form C-104 can be approved, it will be necessary for you to submit five (5) copies of Form C-110 (Certificate of Compliance and Authorization to Transport Oil and Natural Gas).

Also, on your Form C-104, you show the total depth as 5259' and no plug back. You show the 4½" casing C 3259'. Since your estimated total depth was only 3400', I am wondering if the above total depth of 5259 is correct? We are enclosing it for any necessary corrections.

Very truly yours,
