Dear Mr. Travis:

We hereby acknowledge receipt of Federal Form 9-331, Notice of Intent, to convert the subject well to water injection.

According to our records, the Commission has not approved this well as an injection well therefore, prior to converting it, you must get approval from our Santa Fe office.

If you have any questions concerning this matter, please feel free to call me.

Sincerely yours,

W.A. Gressett
Supervisor, District II
