Gentlemen:

On December 11, 1958, a survey was made to locate your Greenwood Unit Well location No. 4 at a point 660 feet from the North line and 660 feet from the West lines of Section 27, Township 18 South, Range 31 East, N.M.P.M., Eddy County, New Mexico.

A flag was set at the USGLO Section corner marker common to sections 22, 23, 26 and 27 and the Transit was set up at the USGLO Section corner marker common to sections 21, 22, 27 and 28. Thence Chaining East 660 feet along the North line of Section 27 to a Hub previously set for staking a Gulf Oil Corp. well to the North, thence chaining South 660 feet to the location site of the Greenwood Unit Well No. 4. As a check on our survey we chained West from location 660 feet and North 660 feet checking in at the point of beginning of our survey within the allowable error for this survey.
