Re: Authorization to transport crude oil.

Gentlemen:

Please be advised that Gulf Oil Corporation has plugged and abandoned their Keohane et al B Federal wells No. 1 & 2, 28-18-31, Shugart Pool. Fifty barrels of oil on hand at the time of plugging has been transferred to the Keohane et al A Federal lease in the Shugart Pool.

Permission to run this fifty barrels of oil from the Keohane et al A Federal lease is hereby granted, the oil, however, must be charged to the Keohane et al B Federal lease.

Very truly yours,

Oil Conservation Commission
