Dear Mr. Armstrong:

I am in receipt of your letter of October 8, 1962, regarding Form C-110 on the above captioned lease. I understood we had to make these forms out in order to change the oil transporter. When we filed the first form Permian was buying the oil, but since then Signal has laid a pipeline to our well and they now are the transporter and purchaser.

Please advise me if any more forms are necessary.

Very truly yours,
