Culwin Pool, Eddy  
Co., New Mex.

Gentlemen:

The subject wells were placed in the Culwin Pool by Commission Order R 1999. Subsequently, on July 29, 1961, Mr. Joe Ramey of our Hobbs office wrote you requesting new form C-110s for the two wells showing the change in pool designation from Undesignated to Culwin. To date, these C-110s have not been received. Therefore, will you please prepare and submit the same to this office as soon as practicable.

Very truly yours,

R. L. Stamets
