Date OCT 26 1959

I hereby certify that the information given above is true and complete to the best of my knowledge.

Name W. J. Alford  
Position ENGINEER  
Company CHAMBERS & KENNEDY

This image shows a blank, aged, cream-colored page, likely a separator or endpaper from an old book or document. The paper has a slightly textured appearance with some minor creases and discoloration, particularly along the edges. At the top of the page, there is a dark, textured binding strip. Faint horizontal lines are visible across the page, suggesting it might be part of a ledger or a form. The overall tone is warm and historical.
