Gentlemen:

We are herewith acknowledging receipt of form C-104 and C-110 for the subject wells covering the change of tank battery location, however, both wells were shown on the same form which we cannot accept or sign. Therefore, please re-submit this change on separate form C-110's for each well. Also, please send in separate fully completed form C-104's for each well as we have none in our files. We realize that all the information requested on form C-104 may not now be available but please complete them as fully as possible.

Very truly yours,

OIL CONSERVATION COMMISSION
