Gentlemen:

July 24, 1957, a survey was made to locate your Greenwood Unit Lease, Well No. 2 in the SW $\frac{1}{4}$ NE $\frac{1}{4}$  Sec. 34, Twp. 18 South, Range 31 East, N.M.P.M., Eddy County, New Mexico, at a point 1980 feet from the north and 1980 feet from the east lines of said section 34.

A flag was set for foresight at the corner common to sections 26, 27, 34 and 35 and the survey was started at the quarter corner common to sections 34 and 35, thence north along the section line 660 feet, thence west 1980 feet to the location, thence south 660 feet thence east 1981.4 feet to the point of beginning which is an error of 1.4 feet, but within the allowable limits of a survey over this rough sandy terrain.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

  
John W. West
