Re: Application for Back Allowable,
CEM Oil Fed. 1-B, 29-19-31, Unde-
signated Pool, Eddy County, N. M.

Dear Mr. Hollis:

Since we wrote to you May 10, 1960, the date for filing applications for March Back Allowable has been extended and your application can be accepted. However, there is some doubt in our minds as to whether or not the application will be approved by the Santa Fe office, as Cactus Petroleum Company was not officially purchaser prorating during the month of March, 1960.

We do need the following information before we can process your application. First, is the subject well a top allowable well? Second, at what date did Cactus Petroleum Company first take oil from the well and how much did they take?

If you have any questions concerning this situation do not hesitate to call me.

Very truly yours,

OIL CONSERVATION COMMISSION
