Re: Well No. 1, Unit A, Sec. 32-19S-31E,
Machris State lease, Eddy County,
New Mexico.

Gentlemen:

In reference to the above-captioned well, our inspection has revealed the following: The tubing and casing are still on location, the drain pit for tanks is not filled, the dead-man wires are not cut, one hole approximately 8' X 10' has from four to six inches of oil in it, and further, this office requires six (6) copies of Form C-105 before final approval can be given on this plugging operation.

Please notify this office as soon as the above work is completed.

Very truly yours,

OIL CONSERVATION COMMISSION
