IN REPLY REFER TO:

June 28, 1963

Mr. John H. Trigg P. O. Box 520 Roswell, New Mexico

Ra: New Mexico 05867 Empiring June 30, 1963

Dear Sir:

Your Notice of Intention to Drill well No. 1-26 Federal "LA" (copy attached) in the NWHSWE, sec. 26, T. 28 S., R. 25 E., N.M.P.N., Eddy County, New Mexico to a depth of 1,500 feet to test the San Andres formation is hereby approved subject to compliance with the provisions of the Oil and Gas Operating Regulations and subject to the following conditions:

- 1. Brilling operations so suthorized are subject to the attached sheet for general conditions of approval.
- 2. A daily progress report is to be furnished in duplicate from spud date until completion of the well.
- 3. Drilling rig must not be moved from well without prior approval from the Survey (30 CFR 221.34c).

Very truly yours,

(Orig. Sgd.) ARTHUR R. BROWN

Arthur R. Brown Acting District Engineer

P.S. If the lease is to be considered for extension by diligent drilling operations, the lesse rental must be timely paid.

ABBibb
