Re: Jones Federal
#1-K-23-19-31
Eddy County, NM

Gentlemen:

We hereby acknowledge receipt of Federal Form 9-331, reporting that the subject well has been returned to producing status.

According to our records, The Permian Corporation was the transporter when the well was shut in. Please advise if Permian is still the transporter and if an allowable is desired.

If you have any questions concerning this matter, please feel free to contact me.

Sincerely,

W. A. Gressett
Supervisor, District II

WAG:ar

4-22-81 Herman Pharr stated the rods + pumping unit were ordered + have not come in. They will send in necessary paper work.
