Re: Dedicated Acreage
Jones A Federal #2--I
25-19-31, Undesignated
Lusk Strawn Pool

Gentlemen:

The special pool rules for the Lusk Strawn Pool require the dedication of one hundred and sixty acres to any well completed therein or within one mile of the outer boundary of the pool. Therefore, it will be necessary for you to file a new Form C-128 showing the dedication of one hundred and sixty acres to this well as quickly as possible. No allowable may be assigned the well until Form C-128 is received or a nonstandard unit is authorized for the same. Further, Form C-128 should be received before the last day of March in order that we may assign the well an allowable for the month of March.

Very truly yours,

OIL CONSERVATION COMMISSION
