PULL OR ALTER CASING				
OTHER:		OTHER: Temporarily Abandoned XX		

12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We request that this well be classified as Temporarily Abandoned. The East Millman Pool Unit is an active waterflood project with an active infill drilling program currently under way. The infill drilling project will continue for another 2 to 3 years and this well will be converted to a water injection well following the infill drilling program. Please see the attached well data and report of casing integrity test.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
