Dear Mr. Shaw:

Attached is a Sundry Notice detailing our plans to plug and abandon the referenced well. To comply with Oil Conservation Division requirements, we must have the project complete by June 1, 1989. Please review the proposed procedure as soon as possible. If you have any questions or need any other information, please call me at 915-686-5678.

Sincerely,

Robert L. Bradshaw  
Sr. Staff Env./Reg. Specialist
