New Mexico Oil Conservation Commission  
P. O. Drawer DD  
Artesia, New Mexico

Attention: Mr. Armstrong

Dear Sir:

Enclosed herewith is the Notice of Intention to Drill for Tom Brown Drilling Company, Inc. to drill the West Antelope Sink Unit Well No. 1 in the NE/4 SE/4 Section 35, Township 19 South, Range 23 East, Eddy County, New Mexico.

The West Antelope Sink Unit will be approved either February 7 or February 10, 1964. If you have any questions regarding the unit, please contact Mrs. Marion Rhea in the office of the Public Lands Commissioner, Santa Fe, New Mexico.

When you have approved this application, would you please notify Mr. Thomas C. Brown by telephone at MUtual 2-9716 in Midland, Texas or myself at MUtual 2-3751.

If you need any additional information, please let us know.

Very truly yours,

ALBRITTON & MEYER  
Agent for Tom Brown Drilling Co., Inc.
