Gentlemen:

As required by Order #R-2919 dated June 8, 1965, please be advised that Monsanto Company's Dagger Draw #1 was completed in the Dagger Draw Morrow Gas Pool prior to the establishment of special rules and regulations and is now an unorthodox location as it is located 660' FSL and 1980' FEL of Section 6, T-20S, R-25E, NMPM, Eddy County, New Mexico.

Yours very truly,

A. W. WOOD  
District Production  
Superintendent
