Attention: Mr. William L. Hico

Gentlemen:

Pursuant to your request, I, H. N. Sweeney, hereby grant, assign and transfer all of my rights, title and interest in the subject well, together with the casing therein, to the New Mexico District of the Water Resources Division of the United States Geological Survey for use as a water-level observation well, under the following conditions:

That the New Mexico District, Water Resources Division of the U.S.G.S. agrees, as evidenced by the signature of an authorized representative hereto, to accept all responsibility incidental to said well, the restoration of the surface to original contour and the plugging thereof with no further cost to be incurred by H. N. Sweeney in connection therewith.

It is further understood and agreed that the Water Resources Division of the U.S.G.S. may exercise rights of ingress and egress to and from said well via existing lease roads.

Very truly yours,

H. N. Sweeney

ACCEPTED AND AGREED TO:
