17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We have complied with the request of the New Mexico Oil Conservation Commission to have each well including this one prepared for testing the pressure on the surface casing, Production Casing, and Tubing. The test was conducted by NMOC representative September 26, 1979. The results were satisfactory.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
