Attn: Mr. R. L. Beekman

Dear Mr. Beekman,

Enclosed please find the original and four (4) copies of two (2) Sundry Notices and Reports on Wells.

I apologize for the tardiness with which these are submitted; however, I have been with this office for three months and had not discovered that these were to be filed or had not been filed until just today. As I am new at this job, I am finding out gradually which forms have not and need to be filed. In the past, Mr. Hanks has had several personnel changes which accounts for any reports which have not been completed.

It is requested that, upon approval, these forms be forwarded to the appropriate offices so that we may be assigned an allowable (as our tanks are nearly filled).

Again, please accept my apologies and in the future we shall see that these reports are filed promptly.

Yours very truly,

ROGER C. HANKS

ENCLOSURES  
We will also need the required reports and logs as indicated by the attached form letter, and I think Mr. Quintero with the NMOC conferred with your office about NMOC approval of this well as an alternative location.  
Thank you for your assistance.
