17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was drilled to a depth of 10,200' without encountering commercial hydrocarbons. We now propose to deepen the well to an approximate T.D. of 11,300' to test the Morrow formation. Verbal approval for this work received from Mr. R. L. Stamets on 7/9/66.
