Gentlemen:

Please find enclosed four copies of Form C-104 pertaining to the Sweeney Federal Lease, Lusk Strawn Field, Eddy County, New Mexico. Said forms are submitted for your approval in order to note that the gas sales meter was reconnected by Phillips Petroleum Company in March 1975. At present the well is flowing 30 MCF of gas per day and making no fluids.

If I may provide additional information, please advise.

Very truly yours,
