Gentlemen:

RE: Application to Re-enter & Deepen - Llano-McKay
Federal #1, Eddy County, New Mexico.

We respectfully request that the following be added to the Multi-Point Surface Use and Operations Plan; specifically, paragraph 6:

6. Source of Construction Materials:

A. It appears that no construction materials will be needed for this operation; however, in the event caliche is required, it will be obtained from the caliche pit located in the NE/4, Section 24, T19S, R31E.

In the event construction materials are needed, it will not be until after the primary re-entry attempt, which is scheduled to commence on November 26, 1979.

It is requested that our Application be approved so that the primary work can begin, with the stipulation that pit approval be obtained before any construction caliche is obtained.

Sincerely,
PETROLEUM DEVELOPMENT CORPORATION

Charles W. Sanders, Vice President
