Dear Mr. Gressett:

I have been notified this date that Sweatt Construction Co. has completed the dirt work in filling pits and leveling location, etc. on the Carl Engwall & James R. Stephens #1 Gulf-State. Location of this test is 660' FN&EL, sec 16, T-19-S, R-31-E, Eddy County, New Mexico. The correct State Oil & Gas Lease number from Gulfs lease is OG - 1230.

I would appreciate your inspection of location so that the plugging forms may be approved.
