Artesia, New Mexico 88210

Attention: Mr. Paul G. White

Dear Mr. White:

Reference is made to your recent request for authority to complete the Yates Petroleum Corporation Boyd "BN" Well No. 1, located 1980 feet from the North line and 660 feet from the East line of Section 18, Township 19 South, Range 25 East, Eddy County, New Mexico, as a tubingless completion utilizing 2 7/8-inch tubing as casing in the well.

It is our understanding that 15 3/8-inch casing is set at 110 feet with cement circulated to the surface; 9 5/8-inch casing is set at 1200 feet with cement circulated to the surface; 2 7/8-inch tubing is to be set at 9416 feet and cemented back to 8000 feet with 500 sacks of Class "C" Incon cement.

Inasmuch as no known corrosive or pressure problems exist in the subject area which may render this type of completion inadvisable, you are hereby authorized to complete the subject well as described above.

Very truly yours,

A. L. POMER, Jr.
Secretary-Director

ALP/DSN/esr
