Section 28 T. 18S R. 31E

Gentlemen:

The Reports and Logs checked below are required by the Oil and Gas Operating Regulations 30 CFR 221, and have not been received for the subject well:

- ☐ Notice of Intention to \_\_\_\_\_  
(Form 9-331 in Quintuplicate)
- ☒ Subsequent Report of Repairing Well  
(Form 9-331 in Quintuplicate)
- ☐ Subsequent Report of \_\_\_\_\_  
(Form 9-331 in Quintuplicate)
- ☐ Completion Report and Log (Form 9-330 in Quintuplicate)
- ☐ Re-Completion Report and Log (Form 9-330 in Quintuplicate)
- ☐ Geologic Logs (30 CFR 221.59 requires that two (2) copies of all electric logs, deviation, temperature, drilling time, case description, sample description, or other special well logs be submitted).
- ☒ Comments The above work was done in May, 1977.

You are requested to submit these delinquent reports to this office at your earliest convenience.

Sincerely yours,

Joe G. Lara  
Acting District Engineer
