

Penny Federal No. 1

Page 2

re-puff 50' uphole. Pump 570 sxs class "H" 15.6 ppq cont
to circ up annulus & fill csq to surface. If cement does
not circ, pump 25 sxs down annulus. Cut off csq 3'
below ground level. Install P & A marker. For further
information contact Clyde Findlay at 397-5800.
